

Curriculum Vitae

Dr. Pavlidou L. Efterpi

M.D, MSc, Ph.D

Pediatrician-Pediatric Neurologist

Assistant Professor of Pediatrics

Speech and Language Department

University of Ioannina

Thessaloniki, APRIL 2022

Date of Birth : 08/16/1973

Address : Leoforos Vasilissis Olgas 93, Thessaloniki, Greece 54634

e-mail : efterpipavlidou@uoi.gr; efterpi.pavlidou@gmail.com

Personal Data : Married with a son.

EDUCATION AND SPECIALTY:

9/1993- 6/1999 : Degree of Medical School of Democritus, University of Thrace, Greece

Grade : 7,69 (Very Good), 2 Scholarships by the National Institute of Scholarships

8/1999-11/2000 : Three months of specialty (Pathology, Surgery and Cardiology) at the General University Hospital of G. Papanikolaou in Thessaloniki and 12months of obligatory rural practice in a primary health center.

2/2001-2/2002 : Scientific Associate in Pediatric Neurology at the 3rd Pediatric Department of Ippokratio Hospital, Aristotle University of Thessaloniki (12 months) (Director of the Department, Professor of Pediatric Neurology Ch. Panteliadis).

2/2002- 11/2003: Specialty of Pediatrics at the General hospital of Veroia (2 years) (Director of the Department Dr. G. Papadimitriou).

11/2003 - 11/2005: Scientific Associate in Pediatrics and Pediatric Neurology at the 3rd Pediatric Department of Ippokratio Hospital, Aristotle University of Thessaloniki (2 years) (Directors of Department: Professors Ch. Panteliadis and I. Tsiouris). Research work at the Pediatric Neurology clinic and the laboratory of neurophysiology, where I recorded all the electro-encephalograms (937 of neonates

and children up to 14 years old) with active participation at their medical report (Responsible Professor Ch. Panteliadis).

6/2003- 6/2007: Dissertation in Pediatric Neurology with topic: “Prospective study of febrile seizures: Prognostic factors for subsequent epilepsy”. In June 2007 I was pronounced Doctor of the School of Medicine and awarded the degree with grade “EXCELLENT”. This study received two prizes in Greek Pediatric Neurology congresses.

5/2006 – 8/2008: Specialty in Pediatrics at the 1st Pediatric Department of Ippokratio Hospital, Aristotle University of Thessaloniki (2 years) (Director Professor M. Athanassiou- Metaxa). Six months were performed at the 1st Neonatal Intensive Care Unit of Aristotle University of Thessaloniki (Director Professor V. Drosou-Agakidou).

10/2008: I received the qualification of Medical Specialty in PEDIATRICS after written and oral examinations.

11/2008-12/2010: Scientific Associate as a Pediatrician with Special Interest in Pediatric Neurology at the 3rd Pediatric Department of Aristotle University (2 years). At the above period, I performed the Pediatric Neurology outpatient clinic and participated at the medical report of the EEGs that were performed. I participated actively in the educational activities of the Department giving lessons on Pediatric Neurology issues to students and specialty trainees.

2/2011- 9/2021 : Consultant pediatrician in the Pediatric Neurology section of the 2nd Pediatric Department, AHEPA Hospital, Aristotle University of Thessaloniki (3,5 years). I perform the Pediatric Neurology Outpatient Clinic and attend the children with pediatric neurology diseases that are hospitalized at the department. I care for children with epilepsy, neurometabolic issues, neurocutaneous syndromes, neurodevelopmental problems and neurodegenerative diseases. I also report the

EEGs and video-EEGs, that are performed at the laboratory of neurophysiology. I also perform the outpatient clinic of the Pediatric Neuromuscular Center for children with neuromuscular diseases.

9/2021- : Assistant Professor of Pediatrics, Speech and Language Department, School of Health Sciences, University of Ioannina

Postgraduate Studies

5/2010: I received after successful examinations the Certificate for Advanced Pediatric Life Support (APLS)

6/2011- : I currently attend the postgraduate course on Pediatric Neurology of the British Pediatric Neurology Association (Distance Learning).

10/2012-5/2013:

I successfully attended a postgraduate scientific educational program (6 months) on electroencephalogram of neonates and children by the International League Against Epilepsy (ILAE) and I received after examinations the Certificate on ***“EEG in the diagnosis and management of neonates and children”***.

10/2014- : I currently attend a postgraduate course by the Hellenic Open University on the “Management of Health Services”.

PARTICIPATION IN STUDIES AND RESEARCH PROTOCOLS

I took active part in research protocols firstly by the elaboration of my dissertation “Prospective study of Febrile Seizures: Prognostic Factors of Subsequent Epilepsy” in Aristotle University of Thessaloniki. The results of the above study were reported by oral or poster presentations at several pediatric neurology congresses both in Greece and internationally and they were also published in several papers. The

above study was prized two times. I also participated in the research area for febrile seizures, cerebral palsy and several pediatric neurology diseases.

EDUCATIONAL WORK:

I performed several lessons to students of medicine and trainees in Pediatrics at the Ippokratio and AHEPA Hospital at pediatric neurology topics and presentations on interesting pediatric neurology cases. As a consultant pediatrician and an associate fellow in pediatric neurology, I taught psychomotor development of neonates and infants as well as other pediatric neurology issues (e.g epilepsy, cerebral palsy, neuromuscular diseases) at the medical students of 5th and 6th year of Medical School of Aristotle University of Thessaloniki.

As Assistant Professor of Pediatrics I perform lectures of Pediatrics, Principles of Pediatric Neurology and Developmental Pediatrics, Genetic syndromes that lead to Neurodevelopmental Disorders and Cerebral Palsy in children to students of Speech and Language Department and also lectures of Pediatrics at students of Nursing School of University of Ioannina.

19. 12th Panhellenic Pediatric Neurological Conference 12/2012, Athens on:
"Correlation of polymorphisms of the ELP4 gene with clinical parameters in children with Roland's epilepsy". Gambeta A, Fidani L, Katopodi I, Pavlidou E, Pavlou E (posted announcement)

20. 13th Pediatric Neurological Conference 12/2013, Athens on: "Epilepsy from hot water: Case Description and Bibliography Review". Pavlidou E, Gambeta A, Pavlou E.
21. 13th Pediatric Neurological Conference 12/2013, Athens on: "Epilepsy from hot water: Case Description and Bibliography Review". Ketosis from viral gastroenteritis and improvement of EEG in a patient with West syndrome. Gambeta A, Pavlidou E, Evangeliou E, Pavlou E
22. 26th Panhellenic Conference of Greek Neurologists 6/2013, Thessaloniki on: "Orthopedic issues in children and adolescents with neuromuscular diseases. Experience of 6 years from the neuromuscular diseases unit of Thessaloniki. Gogou M, Papavassiliou K, Pavlou E, Haidopoulou K, Pavlidou E, Kyrkos I (posted announcement)
23. 26th Panhellenic Conference of Greek Neurologists 6/2013, Thessaloniki on: "Respiratory function in patients with Duchenne muscular dystrophy." Gogou M, Pavlou E, Pavlidou E, Mavromatis I, Papadopoulos K, Haidopoulou K (posted announcement)
24. 26th Panhellenic Conference of Greek Neurologists 6/2013, Thessaloniki on the topic: "Obstructive sleep apnea syndrome in children with idiopathic epilepsy: a preliminary study. Gogou M, Haidopoulou K, Emporiadou M, Pavlidou E, Pavlou E (oral presentation)
25. 14th Annual Pediatric Neurological Conference 12/2014, Thessaloniki on: "Correlation of sleep disorders as recorded in a special questionnaire with the

control of seizures in children with idiopathic epilepsy". Gogou M, Chaidopoulou K, Emporiadou M, Pavlidou E, Chatzistylianou M, Pavlou E (posted announcement)

26. 14th Annual Pediatric Neurological Conference 12/2014, Thessaloniki on: "Heart rhythm in the multicenter study of sleep of children with idiopathic epilepsy. Is there a correlation with disease control? Gogou M, Chaidopoulou K, Emporiadou M, Pavlidou E, Chatzistylianou M, Pavlou E (posted announcement)

27. 14th Annual Pediatric Neurological Conference 12/2014, Thessaloniki on: "Cardiac problems in children with neuromuscular diseases". Gogou M, Keivanidou A, Pavlou E, Pavlidou E, Chatzistylianou M, Giannopoulos A (posted announcement)

28. 14th Annual Pediatric Neurological Conference 12/2014, Thessaloniki on: "Quality of sleep in children with idiopathic epilepsy compared to healthy children based on the results of a multidisciplinary sleep study. Is sleep quality related to crisis control? " Gogou M, Chaidopoulou K, Emporiadou M, Pavlidou E, Chatzistylianou M, Pavlou E

29. 14th Annual Pediatric Neurological Conference 12/2014, Thessaloniki on: "Correlation of sleep disorders as recorded in a special questionnaire with the control of seizures in children with idiopathic epilepsy". Gogou M, Chaidopoulou K, Emporiadou M, Pavlidou E, Chatzistylianou M, Pavlou E

30. 5th Pediatric Allergy-Pediatric Pulmonology Panhellenic Conference 9/2014, Athens on: "Distribution of nocturnal apneas at different stages of sleep in children with epilepsy: Differences compared to healthy children". Gogou M, Pavlou E, Emporiadou M, Pavlidou E, Chatzistylianou K, Haidopoulou K.

31. 52nd Panhellenic Pediatric Conference 6/2014, Rhodes on: "Correlation of polymorphisms of the ELP4 gene with Roland Epilepsy". Gambeta A, Fidani S, Zafiriou D, Kalinderi K, Katopodi R, Pavlidou E, Pavlou E
32. 52nd Panhellenic Pediatric Conference 6/2014, Rhodes on: "Correlation of BDNF and ELP4 polymorphisms with clinical parameters in children with Rolandic Epilepsy". Gambeta A, Fidani S, Zafiriou D, Kalinderi K, Katopodi R, Pavlidou E, Pavlou E
33. 52nd Panhellenic Pediatric Conference 6/2014, Rhodes on: "Correlation of the VAL66MET polymorphism of the BDNF gene with Rolandia Epilepsy". Gambeta A, Fidani S, Zafiriou D, Kalinderi K, Katopodi R, Pavlidou E, Pavlou E
34. 15th Panhellenic Panhellenic Conference 12/2015, Athens on: "Generalized and focal epilepsy: Is there an association with the appearance of apnea during sleep?" Gogou M, Haidopoulou K, Pavlidou E, Emporiadou M, Chatzistylianou M, Pavlou E
35. 46th Conference of the Pediatric Society of Northern Greece, 23-24 / 4/2016 Thessaloniki on: "Syncope episodes in a 14-year-old girl" Makrogianni A, Giannopoulos A, Pavlou E, Pavlidou E, Papagiannis I, Chatzistylianou M, Thessaloniki Concert Hall.
36. 17th Annual Pediatric Neurological Conference, 12/2017 Athens on: "Carnitine Palmitoyltransferase II Deficiency (CPT II) in a patient with recurrent episodes of myositis", Pavlidou E, Stamou M, Palamougiouki M, N , Kekkou K, Papakonstantinou E, Giannopoulos A, Pavlou E. (posted announcement).
37. Panhellenic Pediatric Neurological Conference, 12/2018 Athens on: "Selective Investigation of metabolic diseases in the Greek population: 10 years of clinical and

laboratory experience. Papakonstantinou E, Paramera E, Garoufi A, Katakouzinou D, Pavlou E, Dinopoulos A, Pavlidou E, Skouma A, Lykopoulou E, Dimitriou C, Voudris K, Pons R, Grafakou O, Vorgia P, Soulpi K, Drogari E, (oral announcement).

Lectures at Congresses:

1. 22nd Pediatric Conference of the 2nd Pediatric Clinic, 1/2012 on: "Epileptic Syndromes of Infancy and Childhood". Olympic Museum, Thessaloniki
2. 23rd Pediatric Conference of the 2nd Pediatric Clinic, 1/2013 on: "Neurodermatological syndromes: What the pediatrician should know". Olympic Museum, Thessaloniki
3. Postgraduate Seminar in Electroencephalography, 2/2013 on the topic: "Electroencephalographic findings in epileptic encephalopathies". Olympic Museum, Thessaloniki
4. Hellenic Society for Neurodevelopmental Education, 10/2013 conference on: "Neuromuscular diseases: classification, diagnosis, treatment. Center for Dissemination of Research Results (K.E.D.E.A), AUTH, Thessaloniki
5. 1st Interclinical Scientific Pediatric Conference, 3/2014 on: "Non-epileptic paroxysmal phenomena in children". Olympic Museum, Thessaloniki.
6. Continuing Education Conference in Pediatrics. Controversies in Pediatric Practice 11/2014 on the topic: "1st seizure in children. Treatment: Yes or No. K.E.Δ.E.A, Thessaloniki.

7. Speech (Clinical Audit) in an in-hospital meeting in the context of my postgraduate training 9/2015 on: Febrile Seizures Audit: A Clinical Update, Chelsea Hospital and Westminster Hospital, London.
8. 15th Annual Pediatric Neurological Conference, 11-12 / 12/2015 speaker at the round table: "Interesting Pediatric Neurological Issues" on the topic: "Benign Intracranial Hypertension". Crowne Plaza Hotel, Athens.
9. 3rd Interclinical Scientific Pediatric Conference, 3/2016 speaker at a round table on the topic: "Headache in children: Positions and controversies. Interactive discussion. Olympic Museum, Thessaloniki
10. 46th Conference of the Pediatric Society of Northern Greece, 23-24 / 4/2016 speaker in a clinical laboratory (workshop) in Developmental assessment in childhood on the topic: "Developmental Scanning test Denver II", Thessaloniki Concert Hall.
11. 2nd day "Latest Developments in Neuromuscular Diseases" co-organized by BD Pediatric Clinic and MDA Hellas (Association for the care of people with neuromuscular diseases), 11/6/2016 speaker at a round table on the topic: ", KEDEA AUTH, Thessaloniki.
12. 4th Interdisciplinary Scientific Pediatric Conference, 3/2017 speaker at a round table on: "DEPY: The role of the pediatrician". Olympic Museum, Thessaloniki.
13. Speech at ELEPAP Thessaloniki 5/2017 entitled "DEPY: Latest Data"
14. Speech at the Panhellenic Conference of Physiotherapists 7/2017 in "AROGI" Thessaloniki entitled: "Cerebral Palsy: Causes, Classification, Treatment".

15. Speech at the 17th Annual Conference of Pediatric Neurology 12/2017 on "Investigation of Hyperkemia", Royal Olympic Hotel, Athens.
16. Speech at the 24th Scientific Conference of the 2nd Pediatric Clinic of AUTH on 3/2018 on the topic: "Investigation of a child with increased CPK", Olympic Museum, Thessaloniki.
17. Speech at the Panhellenic Pediatric Neurological Conference 12/2018 on the topic: "Macrocephaly", Zappeion Megaron, Athens.
18. Speech at the Pediatric Neurological Conference 3/2020 on: "Brain-Gut Axis", Kazarma Hotel, Lake Plastira.
19. Speech at the 26th Scientific Conference "Current issues in Pediatrics" of the 2nd Pediatric Clinic AUTH 6/2020 on: "Prebiotics-Probiotics-Symbiotics: Their role in neurological diseases and autism"
20. Speech at the 14th Panhellenic Congress of Epilepsy with international participation 13-15 / 11/2020 on the topic: "What is the role of inflammation in epilepsy? Timely diagnosis "
21. Speech at the 32nd Panhellenic Congress of Neurology 3-6 / 6/2021 on the topic: "Epileptic syndromes of Childhood with continuity in adulthood", Hyatt Hotel, Thessaloniki
22. Speech at the 15th Panhellenic Conference on Epilepsy 24-26 / 9/2021 on: "Psychosocial effects of epilepsy in childhood", Electra Palace Hotel, Thessaloniki

Chair in Round Table

1. Chair in the 3rd Session of the Conference "Latest Developments in Neuromuscular Diseases" co-organized by BD Pediatric Clinic and MDA Hellas (Association for the care of people with neuromuscular diseases), 11/6/2016, KEDEA AP .Θ, Thessaloniki.
2. Chair in a round table at the 16th Annual Pediatric Neurological Conference 12/2016, Athens.

3. Chair at the POSTER SESSION 4: Epilepsy: Medical and Surgical Treatment, Neuro-Oncology, Neuropsychiatry. 13th European Pediatric Neurology Society (EPNS) Congress, 17-21 / 9/2019, Athens
4. Chair in a round table at the 27th Scientific Conference 20/3/2021 "Current issues in Pediatrics" at the Olympic Museum, Thessaloniki

Participation in Clinical Study

1) Co-researcher in a clinical study of children with Duchenne disease who are on medication with the drug Translarna.

Co-Investigator in the study: Long Term Observational Study of Translarna Safety and Effectiveness in Usual Care.

Participation in Medical Societies

1. Regular Member of the Hellenic Pediatric Neurological Society-
-From March 2020, elected Treasurer of the Board of the Hellenic Pediatric Neurological Society
2. Member of the Panhellenic Scientific Association against Epilepsy
3. Member of the Medical Association of Thessaloniki
4. Member of the British Medical Association (GMC)
5. Member of the European Pediatric Neurology Association
6. Member of ADHD Greek Society

Reviewer in Scientific Journals

1. BMC Neurology Journal
2. European Peadiatric Neurology Journal
3. Hippokratia Journal

Prizes

1. 2^o Prize at the 2nd Hellenic Congress of Epilepsy 11/2006, Thessaloniki:
“Factors that determine Febrile Seizure Recurrence: Co-Relation with the number of Recurrences”
Pavlidou E, Tzitoridou M, Voudris K, Kontopoulos E, Panteliadis C
2. 1st prize at the 21st Hellenic Congress of Greek Neurologists 4/2007, Athens:
“Prognostic Factors of recurrent febrile seizures”.
Pavlidou E, Tzitoridou M, Kontopoulos E, Panteliadis C

Languages

I speak English fluently
(First Certificate in English, Cambridge University
IELTS overall score 7, December 2014).
